¹ Launching February 15, 2010

² Transport of Lifetime (East) HD is only available when carrying Lifetime (East) SD, and thus no HD feed is available in the West.

³ At all times, parity must be maintained between the premium programming networks (i.e., Showtime Networks and Starz/Encore Networks).

⁴ This service is available directly from the programming network in MPEG-4 format. Avail-TVN will provide specifics as to the type of equipment needed at the local head-end.

⁵ EventTV presents the most popular PPV events from key franchises including UFC, WWE, Concerts, and more.

⁶ Adult Programming.

⁷ Service is not transported by Avail-TVN. As such, carriage will require additional equipment at the local head-end. Avail-TVN will provide specifics on the type of equipment needed for each service.

⁸ Launching Q2 2010
